Welcome and Prayer

Pastor Grant McDowell welcomed everyone

Call to Order – 6:33 pm

- Motion to approve the agenda by Dean Siewert, second Gary Selinger – approved.
- Inspiration and Prayer – reading of John 10 by Pastor Grant
- Explanation regarding Procedures of an AGM were reviewed.
- Call for the approval of the minutes of March 25, 2018 AGM as included in the 2018 annual report. Moved by Jordan Culp, seconded by Jackie Blair. Carried.

Nominating Committee Report & Election of Candidates for the Board of Elders

- No other nominations were present other than the ones presented by the committee. Order of business this evening is to vote on election of nominated board members. Vote for as many as you like.
- Thank you to Grant Bay for his service on the board, he is completing his term.
- Nominees to serve three year terms are Sam Akinlusi and Harley Lee. Gary Dolynchuk has let his name stand for another one year term.
- Three tellers volunteered to count the ballots: Sheila Marshall, Cynthia Lindell and Lee Searle.
- Election results – All candidates were elected.
- Nominees selected to represent the membership on the 2019 Nominating Committee are John Gamble and Darren Feere. Motion to elect by acclamation by Kathy Fanning, seconded by Dean Siewert – carried.

- Motion to destroy the ballots by Ken DeJong. Seconded by Ken Wiens. Motion carried.

Treasurer's Report:

- Thank you to Harley Lee for filling in this roll while Gary Knight is away.
- Harley reviewed the financial statement from 2018.
- Reviewed engagement report completed by Taylor Adams.
- Any questions about the report? Mike Fanning asked 'How did we pay \$6,000 in bank fees?' Harley: a lot is in service charges, including giving by credit card, on-line, and e-transfers, these forms of giving have costs attached to them. Harley moved to receive the 2018 financial statement, seconded by Mike Fanning. Carried.
- Harley reviewed the summary of revenues and expenses and the proposed budget for 2019 in comparison to 2018. The capital budget was then reviewed.
- Mike Fanning: What is the \$62,500 facilities upgrades in the capital budget for? Gary Dolynchuk answered: It is for two furnaces on the Morrissey and North Star rooms.
- Harley moved to approve the budget for the fiscal year of 2019. Seconded by Gary Dolynchuk. No further questions. Carried.

Consideration of Remaining Reports:

- Any questions of any of the reporters of the collective report? No questions.
- Motion to approve the collective annual report by Mike Fanning, seconded by Sheila Marshall. Carried.

KCA Building Question:

- The question was presented by the board asking: ‘Do you support the principle of leasing a part of the church property to KCA on a long term basis to enable them to construct a permanent building?’
- Gary Dolynchuk briefly reviewed the history of KCA’s rental of the church building and that in 2007 KCA came forward with a proposal to rent a piece of land, at that time the church was supportive and this question is being proposed to see if there is still support of the school continuing to pursue this proposal.
- Gary facilitated discussion.
- The presented motion as written by the board to in principle lease a part of the church

property to KCA on a long term basis to enable them to construct a permanent building was seconded by Mike Fanning. All in favor – carried.

Closing Prayer

We gathered for prayer of blessing over the Elders and their families.

Dean Siewert moved to adjourn the meeting.

Adjourned at 7:34pm

Grant McDowell

God inspired Solomon to write, “For everything there is a season, a time for every activity under heaven.” (Ecclesiastes 3:1) After illustrating this with several scenarios, he continued, “I have seen the burden God has placed on us all. Yet God has made everything beautiful for its own time. He has planted eternity in the human heart, but even so, people cannot see the whole scope of God’s work from beginning to end. So I concluded there is nothing better than to be happy and enjoy ourselves as long as we can. And people should eat and drink and enjoy the fruits of their

Lead Pastor

labor, for these are gifts from God.” (Ecclesiastes 3:10-13) The following categories summarize the work God has privileged me to do in this past year.

General Leadership

Our mission, vision, and goal are continual reminders of why we are a church, and what we do. In conjunction with your Board of Elders I’ve worked to build a simple and achievable path for making disciples. It includes: an emphasis on each one shepherding one—we will have one personal evangelism training module each year; small groups—including one for new believers and others that include, on a rotating basis, teaching that

emphasizes our objectives; Sunday messages—regular invitations to receive Christ, periodic opportunities to be baptised, and teaching that aims to help us realize we belong entirely to Christ, believe in Him in all things, and become like Him. Our Staff Team plays a crucial role in initiating ministry and also equipping others’

Each one shepherd one

initiatives for ministry. We value development of others’ spiritual gifts. A message in January (2019) emphasized gift

development. I am deeply grateful for the board and staff as partners and colleagues who challenge and co-labour with me. As of January 1st, 2020, we are pleased to note that Kristy Hurrell has become full-time in Children's Ministry.

Worship Services

In preparation for Sunday worship services, I've coordinated with Pastor Jordan and his team of leaders to plan the worship music and order of service. In 2019, we concluded the series in Genesis and Exodus. Beyond that, preaching covered some current themes surrounding money, the meaning of church, spiritual gifts, and other issues. Fall of 2019 launched us into the Epistle to the Ephesians as well as topical themes on prayer and the Holy Spirit's ministry among us. Many have told stories of answered prayer and faith during Moments of Majesty. We celebrated 17 baptisms last year. Some of these took place at the

youth retreat at Wasa Lake! Thank you to the Elders and Prayer Ministry Team for serving those who request prayer at the end of the services. And our Welcome Team, including Greeters, Welcome

Table friends, and Ushers nurture warmth. Many guests visited us as a church last year. Each of us has a hospitable role to play on Sunday mornings. I include this message from someone who visited from out of province: "From the moment I walked in I felt welcome in an open atmosphere that accepts everyone as they are. The music and songs, the lady that saw I was new and smiled hello and welcome, the positive energy from the crowd and Pastor Grant speaking on Being Different / Confidence in The Lord – it was A- ha! I found where I can go! For many reasons too long to write in this email, I stopped attending church as an adult ... It just didn't feel like a fit for me. I knew my spirituality was developing in other ways over my 20+ years of adulthood, and the two experiences I have had with Alliance church (funeral and your service) binded it together in some ways. I look forward to attending Alliance Church in (the name of her city). I want to thank you for your awesome work, know that it reaches many people!"

Pastoral Care and Coaching

Many small groups continue to help us belong, believe, and become. Thank you leaders and hosts for your ongoing and tremendous ministry. And thank you to Ken deJong, Sam Akinlusi, and Cheryl Miculcik for leading the Sunday groups. The Gospel of Matthew, Prayer and Spiritual Warfare, and Spiritual Foundations through the Lords Prayer have helped and built up those able to

participate. Those who are part of the Care Team have visited people who are otherwise unable to come to church and for this ministry, we're so thankful. If you are interested in this ministry, please let me know. I spent significant time in pastoral or coaching conversations last year. With individuals or couples, I've been privileged to offer support, partner in discovering gifts and potential, and offer biblical counsel. This ministry also includes premarital counseling, preparing for baptism and membership, and coming alongside those who are preparing for a funeral where they remember a loved one. This is sacred space. We continue to urge

hospitality through emphases like Keep It Simple Suppers (now called Be the Church Weekend), which are opportunities to be hospitable to those we may not know. Beyond this scheduled time, we urge each household to consider how we might offer hospitality to one another and as a means of shepherding those outside the church.

Missions

I serve as liason of the Board of Elders with the Missions Committee. The committee capably plans and carries out funding campaigns relevant to our International Workers above and beyond our regular giving to

the Global Advance Fund, which supports the living allowances of Alliance Workers in other countries. Rick and Susan Kilbrai and Lisa Rohrick brought messages and updated us about International Workers and ministry overseas. We heard from Kimi Toyota about the growing ministry of His Hope Uganda and many were able to participate in her November fundraiser. In the fall, we added a monthly feature: Moments for Missions has kept us more up to date and informed. Your bulletin

regularly contains updates due to the diligence of members of your Missions Committee. I deeply appreciate the committee members and their desire to develop this area.

Evangelism

We've continued to emphasize reaching out to neighbors who need to see and hear the Good News of Jesus Christ. We emphasized this question as a means of opening meaningful or deeper conversations: "What do people in our community need from other people?" This might open a door to tell your story of faith. That in turn might provide opportunity to tell the Good News. Annually we provide personal evangelism training in some form (ie. Share Jesus Without Fear; Cold Case Christianity, etc.) Through flyers and newspaper ads, we've invited people at large to attend services and events. However, the vast majority of people who turn to faith in Christ do so because a friend or family member invites them to Him, so we encourage each one to

shepherd one in a proactive way. Recent statistics reveal that "the largest proportion of Canadians now say they are atheists, agnostics, spiritual-but-not-religious or simply irreligious." (Faith Today, January/February 2020) To most of us, this likely isn't news, yet it raises the question, "How do we engage our community with the Good News of Jesus Christ?" The Discovery Project planned for February 28/29 will help with this theme. Our wonderful Christmas Banquets were augmented this past season by an equally wonderful musical/drama prepared under the direction of Kristy Hurrell. The goal was to invite people from our community to bring their children to participate in the drama and, by doing so, hear the message of Jesus. We will repeat a similar production in 2020.

Thank you once again for the privilege of serving the Lord Jesus with you.

Board of Elders

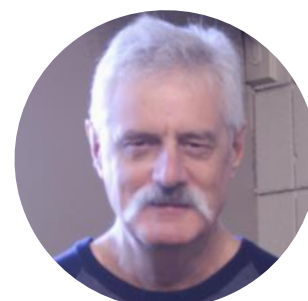

Sam Akinlusi

Ken deJong

Gary Dolynchuk

Gary Knight

Harley Lee

Grant McDowell

Dean Siewert

The Board of Elders for 2019 consisted of:

Grant McDowell- Chair
Dean Siewert – Vice-chair
Gary Knight - Treasurer
Gary Dolynchuk - Secretary
Sam Akinlusi
Ken Dejong
Harley Lee

The board met the first and third Thursdays of the month, alternating business meetings with spiritual focus meetings. Every meeting started with prayer for people and their requests. Elders also served in prayer ministry after each service and in homes and anointing with oil and praying for healing for those who came forward to us. Board members also participated in committees, teaching and leading groups and serving communion.

At our first meeting of the new board we reviewed the Biblical qualities of an elder, roles and responsibilities, bylaws. We also elected officers for the year and reviewed our fields of ministry.

Our annual planning session, which included the church staff, was a focus group for goals and ministries of the church for the year, following the objectives of Belong, Believe and Become.

Business throughout the year included the following work in the following areas :

Policy - review of safety and working alone, employee handbook, scholarships and bursaries, use of bouncy castles, human sexuality and facility use and rentals.

Ministries – consideration for staffing changes and Mission trip to Mexico, responding to correspondence and urgent care needs.

Facility - Kootenay Christian Academy lease and building proposal.

Finance - budget and expenditures, allocating scholarship and encouragement funds, facility and equipment upgrades/replacements, monthly financial reviews.

Thank you to all of those who have served faithfully.

Adult Fellowship Coffee Drop -In

**A new ministry to
Cranbrook Alliance
Church for our
community!**

In October 2019 a drop-in coffee time was started for any adult in our community wanting to come and be able to visit someone and enjoy a warm cup of coffee or tea.

Why was it started and who is it for?

It started because many people had expressed not being able to come to Common Threads events as they were not a widow/widower. So the question was “how can we at CAC meet some of the people’s needs who are single, divorced, lonely, new/long-time residents in our community”? With this question the idea blossomed into an adult fellowship coffee time. So...if you are an adult 19 years or older you are welcome to attend - that’s it!

When does it happen and what happens at it?

Adult Fellowship Coffee Drop-In is from 9:00 am to 11:00 am, the 3rd Wednesday of every month, in the church foyer. Calendar/fridge cards with dates are available at the church office.

There is coffee and tea available for purchase for \$1 or specialty

coffees/teas from the Common Grounds Café are available for purchase (see pricing board) with proceeds going to the School Breakfast Program. Thank you to Katherine Lee and Frances Miles for opening the coffee bar!

Round tables are set up for people to fellowship at, there is no program. This is a time for conversation and fellowship, for people to get to know each other, and to welcome someone new.

What is our goal?

Our goal is to bring people together to meet others. In doing so we pray God will connect people and new friendships will form, loneliness will fade for those who are lonely, a sense of belonging will happen for those who feel they don’t belong, and for people to feel loved and welcomed in our church and community.

How has it been going?

The idea was well received, and now it is open for people to come. October and November saw a few people come out (4-5) with January having an attendance of 8 people. With anything new it has room to grow and we anticipate more will come as it becomes

known. So we invite you to come on out and meet someone new. Bring a friend that would enjoy warmth not only from the coffee and tea, but from the warmth of friendship. (Just a little secret to let those who may be thinking of coming out - there may be goodies too! Shh don’t tell anyone, remember it’s a secret)

This is a new idea and it will be evaluated. This ministry will be looking for feedback to see if it is something that is helpful in connecting people and if it is a good time of day to meet or whether afternoons are better. These are questions we have now, so your input counts. Please feel free to pass on any suggestions or please consider joining this ministry to help facilitate friendships!

Joni Janzen

Adult Time Out Fellowship

Adult Time Out is a many faceted ministry. The idea is to give an opportunity for adults to socialize, to give church members an opportunity to get to better know other people in the church and for new people to make social connections. As well, it allows a venue for people to invite their friends to a church social event.

This past year the energy and enthusiasm was high, the number of participants was low.

Some of the events we had this year - the yearly games nights, picnics, a winter bon fire at Fern Sweeting's, a St. Patricks Party and a great car rally organized by Bud and Carol Hartly that ended at their beautiful lakeside home. The people that came always commented about how much they enjoyed the time together and we do thank them for their support.

If you would like to get to know more people in the church, if you would like to get to know people better, if you are looking for an opportunity to be a blessing to others look at coming out to at least one adult fellowship in 2020.

A BIG THANK YOU to the church staff for their ongoing support, to those who have come out to the various

events, and to those who have helped set up, cleaned up, reached out and added their energy and enthusiasm to the events.

Cranbrook BC Chess Club

The Cranbrook BC Chess Club meets for Focused Chess in Social Warmth virtually every Wednesday of the Year. We meet consistently, almost without exception.

The Club has grown into a warm group of fellowship, where friendships have grown, and people carry each other's needs, and share their joys and their sorrow.

Participation has remained steady, and averages around 10

to 12 members every Wednesday evening.

The members come from all walks of life, which makes it extra special.

As a Club we're sincerely grateful for the hospitality of the Church. For several of the members, the evening is truly their highlight of the week. It fulfills a legitimate need in the lives of its members, to belong, to be loved, to be appreciated, to be recharged.

If any of you has a desire to join, and play or even learn the Game of Chess, visit the Club at CranbrookChess.com or on Facebook/CranbrookChess.

Children's Ministries

- *Kids Church*
- *Sunday School*
- *Nursery*
- *VBS (Vacation Bible School)*
- *Camp Quest*

Our vision for Cranbrook Alliance Kids is to train up kids who passionately love God and who want to live out their faith through their actions and words. 2019 was a great year for seeing this come to life in how many of our youth (7th grade and up) are involved in teaching and leading our younger kids. It's such an encouragement to see them grow up and want to still be involved

in serving, helping and leading by being part of our kids ministry. We've also had more and more kids inviting friends to not only kids church, but our other events as well which shows the joy and excitement our Cranbrook Alliance kids have in learning about Jesus and wanting to share him with others. Thank you to all our volunteer teachers, helpers, and

parents for another great year filled with fun, new friendships and growth.

Kids Church

In kids church this year, we ran 3 classes (PreK – 1st grade, 2nd – 4th grade, 5th & 6th grade) and in the Fall continued with year 3 of Group's Faithweaver Now curriculum which has us working through the New

Testament. Each week, we start in a large group with some time to burn off energy through fun kid-focused worship music and move into an intro to the lesson, sharing about the week, prayer and snack. Kids then head off to their classes and spend more in-depth time learning our bible point and story and how to apply it to real life. This format has been working well for us in having all the kids get time together to build relationships, interact with all the teachers and helpers, and feel like they're part of more than just their own

kids church classes.

For the summer months, we ran a single class for kids age 3 – 3rd grade with the older kids serving as helpers. In 2019, we focused on teaching the 5 character qualities of compassion, generosity, obedience, forgiveness and honesty. We had a great summer tying in an animal that represents each quality as a fun way to understand what each could look like and ways we can practise them in a Christ honouring way.

Our nursery program is also alive and growing! Each week there seems to be another new little baby or toddler to cuddle and play with. This is such a good thing to see, as 'if you

don't hear crying, the church is dying!'

Our nursery volunteers do an amazing job in creating a fun, safe, nurturing environment for the youngest of our congregation. They provide a trusted place for parents to leave their little ones in order to enjoy the message uninterrupted. Thank you to these ladies and helpers who week after week show up to invest in these little ones.

Outside of regular Sunday morning classes, we also presented a Christmas program, our annual Muffins with Mom event, and held quarterly after-school activities for our kids and their friends (Christmas party, everybody's birthday, movie days, Thanksgiving crafts, games day). All of these things encourage relationship building as well as ways to 'Be the Church' and engage our community by showing Christ's love to others.

Our kids church program continues to be one of my favourite aspects of ministry

because it's such an encouragement to myself and our teachers to come each week and see our kids excited to be there, see their friends and make

new ones, and want to dig deeper into learning about Jesus and his love for them. The next generation of kids is well on their way to being world changers and continuing to spread the gospel of Jesus Christ!

VBS

(Vacation Bible School)

Serengeti Trek VBS was a roaring success with 81 kids and 28 volunteers going wild in the jungle learning how to know, talk to, tell about, work for and love God. The week was full of laughter, fun, snacks, games, crafts, drama, music and stories all while figuring out how to build a lasting relationship with God.

For many of the kids that attend VBS, it's one of the only times they're exposed to who God is and how much he loves them. Our team of volunteers did a great job of leading by example, taking time to get to know the kids, sharing in their excitement, answering questions and

showing love to them.

This week never ceases to amaze me with the impact it has

on the community. Each summer there are parents asking about registration well before we've opened it and youth asking about dates in January in order to be able to help which speaks to the quality of programming, parents feeling safe sending their kids to us, the fun had by all, and the love and effort put forth by our team each summer. VBS has always been one of the ways we reach out to and engage our community and I'm thankful for how the Lord continues to provide all we need in people, supplies, and kids.

Thank you to all our amazing youth and adult volunteers - you put in 5 days of hard work, little sleep, running around,

answering (sometimes non-stop) questions, making up handshakes, piggy backs, getting drawn on, cried on and slept on, all while showing incredible work ethic, never complaining, and showing up each morning with smiles. By the end of it all you were tired and worn out, and a few were even sick, but you never let anything get in the way of loving these kids and showing them how cool it is to have a relationship with God.

Camp Quest

This year, Camp Quest out at Rock Lake was all about shining bright. We wanted these kids to be excited to be a light for all to see everywhere they go: at school, home, with their friends and family, even at church and youth group.

We used Matthew 5:16 as a basis to help these 40 kids understand what it looks like to 'shine before others' by living out their love for and relationship with the God of the universe and living in such a way that everything they do communicates the message of Jesus – love others, share with the less fortunate, treat others how you want to be treated and point everyone to Jesus!

After each chapel session, the kids split into their cabin groups to talk through what they'd just heard. This time is invaluable as it

gives the kids a chance to ask questions, get clarification and experience God's light shining through their leaders. We had two girls this year make commitments to follow the Lord and two more want to re-commit their lives. Thank you Lord!! Please be praying for these young ladies as they grow in their relationship with our mighty God.

Camp Quest doesn't happen without a lot of volunteers! Thank you to our 18 team members who gave up a week of their summer to spend in the middle of nowhere pouring into the lives of these kids. Thank you for opening yourselves up, running on little sleep, getting thrown in the lake, carrying kids

all day long, cleaning up puke, dancing and singing your hearts out, showing grace and patience to me, and being 'shining' examples of what it looks like to

walk with the Lord. Until next year, stay salty!

Jingle Bell Beach

We ran a new program this year to complement our Christmas banquets and what a learning experience it was! Some goals of this program were to serve as the entertainment portion of the banquet evenings, invite community kids to be part of something new, provide new and different ways for our congregation to get involved, grow relationships and act as a mentoring program for those already serving and wanting to pass on knowledge.

We had 23 kids who worked hard from September to

November learning songs, lines and choreography in order to present Jingle Bell Beach and tell how Jesus is the light of the world. We performed over three nights and to roughly 500 people. These kids did not disappoint! They were tired by the end, but totally succeeded in getting the message of Jesus out to all who came to see.

The excitement and commitment from these kids and their parents has led to us already looking forward to next year and how we can invite even

more people to be part of this great opportunity to invest in the kids of Cranbrook while teaching and encouraging a love for Jesus.

Thank you Pastor Jordan for the idea to try something new and for getting the ball rolling. Also to the 6 other leaders who came each Thursday to serve snack, run around, and help learn all that needed to be learned in order to make this new program a success!

Some goals for Cranbrook Alliance Kids over the next year

are to increase our ministry presence around us – really trying to engage the Steeple’s school area and inviting people into our community by showing Jesus’ love and encouragement, continuing to grow and develop relationships between everyone involved in our Cranbrook Alliance Kids ministries, building the leadership abilities of our youth helpers and empowering them to become the leaders of tomorrow and continuing to grow in our numbers and families involved at Cranbrook Alliance.

Here’s a little look at our 2019 Cranbrook Alliance kids programs ‘By The Numbers’:

- 2748 Name tag labels printed
- 612 Googly eyes glued to things
- 33,300 Cheerios eaten
- 2 Whale piñatas smashed
- 800 Baby wipes used
- 58 Different volunteers
- 2 Pajama parties
- 715 Stickers stuck to ‘stuff’
- 194 Kids taking part in our programs
- 52 Weeks of love, fun and learning
- 467 Dollars raised for His Hope Uganda
- 0 lost or seriously injured kids!!
- 13 Weeks glitter was vacuumed (or not...sparkles everywhere is nice, right?!)
- 1 Very encouraged Children’s Ministry Coordinator
- 5178 cucumber slices eaten
- 1 Music stand broken
- 27,600 Goldfish eaten
- 525 Pencil crayons sharpened
- 4 Beach balls popped
- 41 Bible verses learned
- 2 New believers
- 67 Markers found with no lids

The ministry of Cranbrook Alliance kids is alive and growing. I am so excited to see how God continues to use us to reach the kids of Cranbrook and am honoured that I’ve been given the opportunity to lead this ministry and all those that have a part in it. None of what happens here would be possible without the support, encouragement, and prayer of all those that are involved and committed, as well as favour and grace given by God.

Thank you Pastor Grant and our Elders board for continuing to encourage and affirm me in my role as Children’s Ministry Coordinator and for everyone at Cranbrook Alliance for your prayer, support and love for our kids!

Common Grounds Café

Common grounds continues to brew along in its busy little corner.

The café definitely does not grind out huge profits as we often are providing our hot delights as a special gifting for our different ministries. We do continue to charge a low fee for drinks both before and after church and at special events. The extra revenues from these times are what we give towards the local schools' breakfast programs.

If you are a new-comer or are really wanting a coffee and forgot your wallet at home, no worries we will make sure you get a hot drink and a "we are just glad you are here", smile.

The busiest day at the café is for Rattles and Rhymes! The young moms love being treated to a specialty drink and we are happy to serve them a cup of comfort and warmth for their morning out activity. We also continue to run a concession for movie nights and love adding the smell

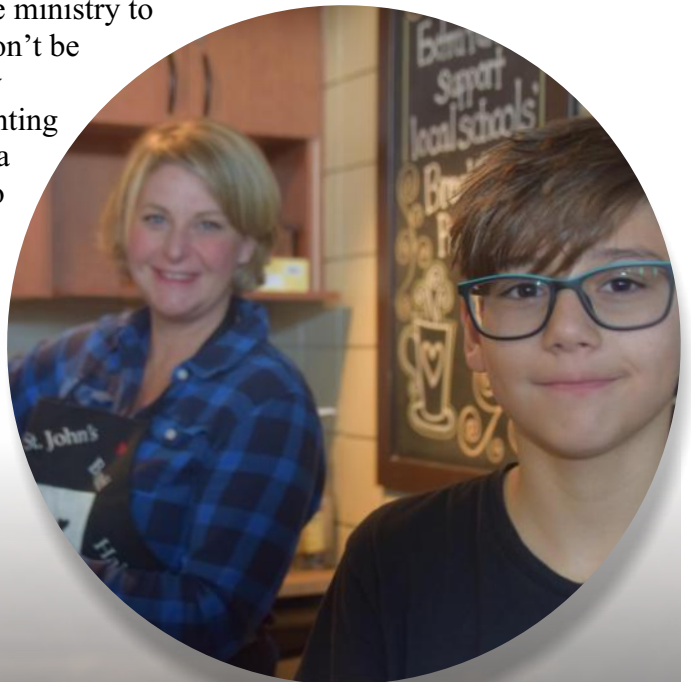

of fresh popped popcorn to our menu!

We are always brewing up new ideas about when and what we can be open for, however barista availability is often the dictator of this area. It has been both a relief and exciting that we have some new faces working in the café this fall and winter! They are the perfect blend for this ministry. We hope to even add some more to spread both the workload and the fun.

It is fun! Providing a service that so many people enjoy is really an enjoyable ministry to be part of. So...don't be chai...if you know anyone who is wanting to become a barista extraordinaire who can teach us amazing latte art and or has a warm and inviting personality, please by all beans send them our way! Words cannot expresso

how grateful we are for your support! (Sorry but coffee puns are one of the perks of the job!)

Thanks a Latte,
Katherine

Common Threads

The Common Threads Ministry, which serves widow/widowers in our community, first started in September of 2015. The 2019/2020 season is our 5th year of serving this demographic. The “common thread” they all share, is they have all lost a spouse, and therefore can relate to one another through this journey. They meet once a month, usually on the first Thursday of the month, from September to June. A nutritious meal, fellowship time, entertainment or activity, and a devotional message is the format for each gathering.

The people who attend are from our community at large with the average attendance being 63 people per night. The first year we averaged around 25 and have seen attendance growth each

year and the attendees inviting others to attend.

We have a strong volunteer base and many who help in this ministry have been serving since its inception. On average we

have 12-15 volunteers each time we host a “Common Threads” evening. Some volunteers come early to do food prep and table/chair set up, while others come to greet & check in guests, be a table host and others come to be the “second” shift in the kitchen doing dishes, serving and final clean up. Thank you to our amazingly faithful, joyful volunteers! You make the difference at every Common Threads event!

This ministry has been well received by our attendees as it meets their physical, emotional and spiritual needs. The food is one of the most welcomed parts of the evening as most widow/widowers find it difficult to cook for one person. The opportunity to visit with others who can relate to a loss is also comforting and offers support for each other. We have surveyed the people who attend to find out how we can further meet their needs and the overall

response said they like everything we are doing. The attendees have expressed their thankfulness for this ministry and enjoy attending.

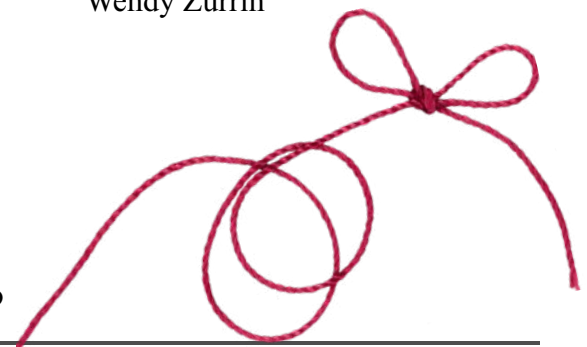

Our ministry team would like to

Two of our amazing volunteers!

extend a huge “Thank You” to Cranbrook Alliance Church for fully supporting this ministry financially, as the meals are free of charge to those who attend. Know that you are a blessing to these people - they make it known how much they appreciate coming to this evening and for many it is a highlight in their week!

Facilities & Maintenance

Facility Management Committee

2019 members were Gary Dolynchuk (chair), Ken DeJong, Lee Searle, Dean Siewert and Bill Boswell. Frank Wright also joined the committee this year bringing his knowledge and experience to the table.

One project the Facility committee has been developing over the past while is an inventory of our building and capital equipment. This inventory is a detailed listing noting how old each item is and what its expected lifespan should be. We expect this will provide the church with a budgetary expectation of upcoming necessary capital expenditures.

2019 Projects: Morrissey and North Star Rooms

As noted in our 2018 report roof leaks in the Morrissey and North Star rooms were needing to be

addressed. This work was completed in conjunction with the replacement of the rooftop

HVAC units over both of these rooms. Both of these units were old. One was not working well, the other had been decommissioned some years ago and replaced with electric

baseboard heat. Further, there was no heat in the back hall and little, if any, in the Prayer Room and Workshop. We therefore took the opportunity to add ductwork into the back hallway and existing ducts were reconnected into the Workshop and Prayer Rooms. All of these areas are now comfortably warm in the winter and cool in the summer. These repairs should further reduce our energy consumption.

While these HVAC units were being replaced the various roof leaks in these areas were also repaired. Finishing this work off included spraying foam insulation over the two roofs (such as is on the Sanctuary roof). Also sprayed was a portion of the Columbia Room roof which had been leaking sporadically over the past few

years. No further leaks have since been noted in these areas.

Kitchen

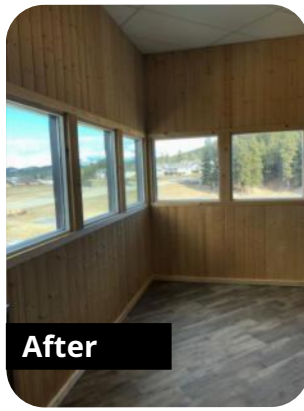

A new, large pot sink was installed in the kitchen this past summer. The larger sink and faster water flow make it easier for the kitchen crew when filling large soup pots. Much thanks go out to Frank Wright in ordering the requested sink and making the necessary modifications to the counter and cupboards.

Picnic Tables

This past spring a work bee was held one Friday evening to build the four picnic tables that now sit in our front courtyard. Despite the rainy weather 20+ people showed up to help and work was substantially completed within a few hours. Thanks go out to all who attended that evening and to Dean Siewert for organizing and directing the construction.

Panorama Room

It may be remembered from last year's report that repairs to the window walls in the Panorama Room were completed in 2018. Over this last winter I noted that it was considerably easier to maintain a comfortably warm temperature in this room. You will see from the pictures on the next page that cosmetic repairs have been completed. Much thanks to the Bud Hartley, Ed Dreher, and the Odd Job Squad for this work. The Panorama Room is now available for

meetings, classes et al.

Looking Ahead: 2020 Projects

This coming year we have four capital projects that we would like to complete.

Replace the gymnasium lights with LED fixtures

We are experiencing more frequent failures with the existing fluorescent lights including bulb changes and ballast replacements. Each time we need to change the bulbs we need to rent a Scissor Lift. If anything more than that is needed, including ballast replacement, we also need to bring in our electrician. Switching to LED fixtures should reduce our energy costs

and our maintenance costs.

Exterior Lighting

Much of the exterior lighting fixtures on the north west side of the building are either not working or in poor shape. We

would like to also replace these lights with LED fixtures such as are on the south west exterior of the administration wing.

Alarm system upgrades

Frequent trouble signals necessitate upgrading our existing alarm system, in particular the fire alarm. Discussion with the contractor and cost estimates are still pending but we have allocated some funds in our budget estimates for this purpose.

Condenser units

Seven rooftop condenser units still need to be replaced. We have tried to have these units replaced for the past couple of years but other, higher priority needs have prevented doing so.

Again, we will try to get these done this year.

This church continues to be well used by various ministry groups as well as a number of our local community groups. The building is a busy place and is occupied almost every day and evening. What a blessing it is to be able to share this facility with our community.

Much work goes into maintaining the church building and grounds. We would like to thank all of the volunteers who work to help keep the church building in good repair. A special thank you goes out to the Thursday morning Odd Job Squad. Without their hard work this facility would be a challenge to maintain. If you have an interest in helping out with the Odd Job Squad or in any other way please let us know.

Kitchen Ministry

Greetings from the Kitchen Ministry Team! In the past year we have seen the kitchen facility being used as a place used to prepare delicious and nutritious foods to enhance church ministry work, for our congregation and for our community. God has truly

blessed us with this space and we invite people to use this area so you can bless others in the ministries you are involved with.

A recap of the large Kitchen Ministry Team Food Events

(keep in mind there are many other users that use the facility i.e - KCA, Heart to Heart, Children's Sunday School, R & R, Youth Ministries, Missions, etc):

- ☛ February - Date Night
- ☛ March - Tim & the Glory Boys Concert, Missions Banquet with the Kilbrai's
- ☛ April - Palm Sunday Brunch
- ☛ May - African Children's Choir
- ☛ June - Grad Banquet & Sunday School Windup BBQ
- ☛ September - Fall Breakfast
- ☛ October - Fall Luncheon, Church Family Lunch & Movie
- ☛ November - 3 Evenings of Christmas Banquets (1 for Common Threads & 2 church/community)
- ☛ Frozen meals - 146 single serve meals

A couple of items to highlight of this past year were:

1. Installation of the long awaited pot sink. What a blessing - how did we survive without it! A trolley cart was also built for storage in the island to replace storage lost from installation of the pot sink. Thank you Frank Wright for this - it is amazing!
2. More individuals took leadership in organizing small food events. Thank you!
3. Christmas Banquet - a few changes were made this year. Meal consisted of a roast beef dinner, rather than

turkey. Entertainment for the evening was hosted by the CAC Children's Drama Club and performed in the church sanctuary. All in all positive feedback from these changes.

Our goal of the Kitchen Ministry Team is **always** to mentor others to lead events. It is important to train others who feel confident in coordinating a food event. We are thankful for all who helped over the last year to take on coordinating, food preparing, serving, or cleaning for the many events.

Kitchen Ministry "OPEN FOR BUSINESS"

That is for God's business - being the hands and feet of Jesus!

A few things you should know: Anyone can use the kitchen - you **must** reserve your date at the office.

- a. It is equipped to serve up to 200 people.
- b. If you have a desire and enjoy preparing food, serving, dishwashing/cleaning you are invited to participate in the kitchen ministry. Please contact one of the kitchen team leaders or contact the office to get involved.

Coordinating a food event:

- a. If you are the coordinator you **must** have a valid "Food Safe" Certificate.
 - i. If you do not currently have one, it is easy to get. Please speak to the office

for information on how to get one.

- b. To be a helper you do not need a Food Safe Certificate, but you will be directed by the coordinator to follow proper food handling practices.

Thank you to all who served over the past year and to the church administration, Board of Elders, and the Thursday "Odd Job Squad". Your support and faithfulness to the operations of the kitchen is appreciated!

Library

It has been another great year of adventure in the library! Whether you enjoy a setting from the bible times when Solomon was king, the challenge of being a pioneer homesteading in the 1800's or maybe you prefer being inspired by a life story of someone that is going through a circumstance

that you can relate to.

All these adventures and more can be found in the pages of a book or through a script that comes to life in a movie. What a blessing to have so many resources

available to us that can challenge, inspire and motivate us as they point us back to how great our God is and that He cares about us and every aspect of our lives.

The library continues to be a cozy place Sunday mornings to stop in for a chat and select something good to read. While the majority of the books borrowed are from our fiction section we do have an excellent selection of non-fiction books too that I would encourage you to come and check out!

You may have noticed occasionally a donation table in the foyer Sunday mornings. Periodically throughout the year we receive donations of gently used books and we then offer these back to you. Please check out the selection and feel free to take these books home to your own collection. Donations are accepted and help support the library ministry, thank you.

As we continue to add new items throughout the year we'd love to hear your suggestions.

We are always looking for something new that would be an encouragement in ones walk with God.

I would like to say a huge THANK YOU to our faithful library volunteers, Rikki Dekkers, Nikki Hayes and Natasha Siewert who along with myself share the love of reading and enjoy opening the library Sunday mornings. Please stop in, say hi and check out the next adventure that awaits you!

Nominating Committee

Your Nominating Committee consisted of the following members: Darren Feere and John Gamble who were elected to represent the membership, Gary Dolynchuk and Dean Siewert who represented the Board of Elders, and Pastor Grant McDowell who served as committee chair.

The committee met as needed in order to pray, review the biblical qualifications of elders, and consider potential candidates. After dialogue and prayer, the committee arranged to have conversations with individuals who might serve as elders at Cranbrook Alliance. As a result of the process, the committee presents the following nominees to serve three year terms:

- Grant Bay
- Mike Fanning

Your Nominating Committee also presents the following

nominees to represent the membership on the 2020 Nominating Committee:

- Katherine Lee
- Pat Bentlage

Please note the following item from Part 7 - Elections should you wish to nominate alternative candidates to those presented here by the Nominating Committee. Nomination forms are available at the church office.

7.6 Additional nominations may be made by any five (5) eligible members by submitting the name of the eligible member in writing on the approved Nomination Form to the Lead Pastor for posting at least fourteen (14) days prior to the Annual Meeting. Such nomination must be included on the ballot

without being vetted by the Nominating Committee.

7.6.1 The proposed nominee must consent to being nominated before the Nominating Form is submitted to the Lead Pastor.

The committee acknowledges and thanks Dean Siewert and Gary Dolynchuk who are concluding terms of service on the Board. The committee also notes that Ken de Jong, Gary Knight, Sam Akinlusi, and Harley Lee continue to serve their current terms.

Prayer Chain

For 2019 we experienced yet another drop in requests, albeit now only 9.5% down. It is my opinion that we should step up our emphasis on the need for Prayer. Jesus was a Man of Prayer. The saints through the ages all emphasize the necessity of Prayer. Cornelius, the very first Gentile believer to be filled with the Spirit of God, is commented in Acts 10 as follows...

There was a man from Ceasarea named Cornelius, a devout man with all his household, who generously gave to the poor, and who prayed to God always.

When the Angel of God visited him, he was commended on his ACTIONS: His giving to those in need, and his consistent prayer life.

It is my prayer that we may walk in the footsteps of Cornelius, of the saints of old, and of our Lord and Savior.

The Statistics

Since we started keeping record prayer-for-prayer in early February 2010, the Prayer Chain has received 1097 prayer requests in the period ending Dec 31, 2019.

Fathers in Prayer

This past year has been a year of continued growth in numbers as we now typically expect 12-13 or more to be in attendance.

We continue to meet on Saturday mornings at my house if I am in Cranbrook, at the Toyotas if I am not. The format has not changed: we continue to pray together and continue to look into God's word together. The diversity of the group has grown, as the youngest attendees are now younger than my

children.

Group attendees are briefed through email on changes on the

We continue to thank God for His blessing on us.

Quilting for Missions

Each Tuesday morning a group of 4 to 7 ladies meet to make quilts. This year we also made pillow case dresses, most of which went to the Revive packing party for shoe boxes. Our quilts went to HHU in Uganda along with some dresses. We also provided K.C.A. with quilts for a new home they were building in Mexico.

In the new year will be making dresses and shorts along with quilts. We are looking for a cause we can provide with the quilts we make. Haiti may not be a option any longer.

We operate this ministry on donations that come from many sources and are very much appreciated. Thank you to all who have provided us with the materials we need, as well as any ideas about who could use a warm and bright covering!

Rattles & Rhymes

Who: Mothers of babies and toddlers aged under 4 years

Where: Foyer, 3 nursery rooms

When: Two Thursday mornings per month

Time: 9:15 am- 11:15 am

Goals: To care for mothers of young children, to encourage them as mothers, modelling Christ-like parenting, sharing weekly Bible verses, providing the opportunity for Christian and unchurched mothers to inter-

relate, mentoring those who need support and guidance.

Rattles and Rhymes is entering its fourth year as a ministry at CAC. This means that we have seen our first “graduates”, as some kids are now older than four and mothers have returned to work. We hope that we will be able to maintain connections with these mothers and pray that they have “tasted and seen that the Lord is good” (Psalm 34:8). What is encouraging is to have witnessed a few unchurched families enroll their children at KCA’s preschool and kindergarten following their involvement at Rattles & Rhymes: one is left wondering whether this would have

happened if these mothers had not attended R&R?

Since September, the news about R&R is spreading, and it is being well attended. Much of this attendance is on a return basis. There have been 50 registrations between January 2019 and January 2020 (46 since September 2019). Only 5 of these registrants did not return after their first attendance. Twenty three (almost half) of these moms indicated that they have “no spiritual affiliation or interest”, which brings us to the wonderful potential of “each one shepherd one”, a concept which we pray will take hold.

There is free babysitting provided, mothers enjoy complimentary beverages from Common Grounds Cafe, icebreakers to encourage mingling, followed by a

presentation and a Scripture related to the topic. These have included among others:

1. **“Loving those Leftovers”**- Joni Janzen, Kid’s Food Aversions devotional (“Taste and see the Lord is good”, Psalm 34:8)
2. **“Teaching Toddlers Gratefulness is more than Thanksgiving”**- Kerry Ries (“Let us come before Him with Thanksgiving” Ps 95:2)
3. **“Mom Rush: Pacing and Priorities”** - Carol Conroy (“Be still and know that I am God, Psalm 46:10)
4. **“The Grinch: Giving on a Tight Budget”** - Katherine Lee/ Frances Miles (“God who takes care of me...will supply all your needs from His glorious riches...” Phil 4:19)

5. **“Santa’s Bell and Discerning the Truth”**- Kerry Ries
"Come let us worship Him...in spirit and in truth” John 4:24)

6. **“First Aid/CPR for Babies& Toddlers- Mom’s need it too!”** - Molly Van Leusden (“ I am your God who will strengthen you...and uphold you with my right hand” Is 41:10)

7. **“In-Law Relationships”** -Kerry Ries (“...be at peace with all people” Rom 12:18)

Childcare is an essential aspect to providing moms with R&R- rest and reflection. There is a team of incredible caring women who, with love and patience, coax little ones into a safe environment, and we have also heard that sometimes it is the toddlers who beg to go to R&R!

Thanks to the Coffee Team and triad leaders Katherine Lee and Frances Miles, and to Jordan Culp for coming to the rescue on busy mornings!

Thanks to the Babysitters: Karylla Leslie, Kathy Fanning, Maureen Williamson, Rosalie Doucette, Margaret Gilmour, Deb Bueckert, Sheila Marshall, Nancy Mironuck, Judy DeJong, Lisa

Gabinet, Bev Raymond, Joan Dolynchuk, Sylvia Leasak, Sandra Pelletier, Kristen Thorp, Kristy Hurrell and Joni Janzen for being so much fun!

Thanks to guest speakers and helpers: Carol Conroy, Molly Van Leusden, Joni Janzen and Mo Augustine, Katherine Lee & Frances Miles for your teaching

Thanks be to God for His love, provision, guidance and for equipping us in order to show the love of Christ to young families in our community.

Toddler Time

Where: Gym

When: Saturday Mornings
Nov-Feb

Time: 10am-Noon

Who: Toddlers aged 0-5 years, their parents, grandparents & caregivers

Why: Little ones need out of the house, parents need a change of scenery, to establish connections with each other and the church.

This is the second winter that we have opened our doors to provide young families with a free place to have fun together. The response has been primarily from unchurched families, and this has been exciting to see.

Our goal is to establish positive connections with the

community and to build relationships with young families. This ministry requires very little organization, as toys are used from the nursery, others

which are stored in the equipment room upstairs, mats from the KCA sports equipment room, and a rotation of equipment which is borrowed from the toy lending library at CRR. Kids run around playing with balls, ride-on toys, enjoy the slides, tunnels and fabric parachutes, all to the sounds of toddler-friendly music.

Attendance:

This has been consistently well attended with 30-45 kids and their parents, peaking at 54 one Saturday. There is a good balance of moms and dads, and it is wonderful to see so many dads arrive with their kids, as well as a number of grandparents.

Interactions:

1. Conversations - In order to establish relationships, it is important to introduce ourselves, remember names, and take an interest in the lives of those who attend, by mixing and mingling.

2. Common

Grounds Coffee Bar - The coffee bar was opened in November, but as there was little interest, this idea was scrapped. In January,

many were asking for it! Maybe next year we will try that again!

Volunteers:

At the time of submitting this report, Roy and Nancy Mironuck, Sheila Marshall, Katherine Lee, Eugene and Kerry Ries have volunteered to create this fun weekly event. Many thanks for trudging through the snow on Saturday mornings and for offering your time, everyone!

Welcome Ministry

Thank you to all those who have cheerfully served as greeters, ushers and at the welcome table over the past year.

If you feel called to join us in our ministry to ensure that

everyone feels welcome please let one of our team members or church office staff know of your interest.

God Bless each and everyone,
Sheila Marshall

Women's Ministry: Heart to Heart

Heart to Heart is a Women's Ministry of Cranbrook Alliance Church, which strives to reach out to women of all ages and walks of life, both from the church and the community, in order to encourage and build each other up in our relationship with Jesus Christ, as well as introduce God's Love to women who might never have heard of God's Love for them, through personal life stories and friendships.

We meet in the Church Foyer approximately 4 to 5 times a year in the evening. Each Heart to Heart event consists of women meeting together around beautifully decorated tables, sharing plates of goodies, enjoying

coffee and tea and occasionally hot apple cider. We sing praise & worship songs, and start off getting to know each other

through "Ice Breaker" type games. Sometimes a poem, skit or a funny story is shared, and door prizes are drawn. This last year, Rosalie Doucette has entertained us with her "Hints from Rosalie's Kitchen" presentations. The "taste testing" after her creations have been cooked up have been a wonderful highlight. There is always a main Speaker or Speakers, ladies who share from their hearts what God has done, or is doing in their lives, often sharing about their own personal journey of faith in Jesus. The

purpose is to encourage all of us by their testimony of God's Love & Faithfulness to them, through both good times and difficult times.

Our average attendance has been between 40 – 50 ladies. Our offerings for this last year went towards the Cranbrook Food Bank, the Christmas Shoebox Campaign, and twice towards the Church's Encouragement Fund.

Keep on praying for us as we seek to build relationships with women, encouraging them in their walk with Jesus, which in turn will produce change in their personal lives, marriages, families and our church and community as we commit to grow together in our faith and friendships.

God Bless & Respectfully

Treasurer's Report

Cranbrook Alliance Church remains in a stable financial position due to the generous support of the Church body. The support is evidenced through numerous individuals volunteering their time and efforts in many ministry areas of the Church and through the strong financial contributions of the congregation. Our Church continues to have a passion to reach our community with the gospel of Jesus Christ, reach and support those around the world, and to disciple and equip the body of believers. The Church has accumulated some funds and has the ability to react to certain situations as they arise and as God leads. We continue to serve an amazing God that meets our every need.
