Spiritual Gifts and Membership Class

I understand the idealism that says, "There should be only one local church." It worked in the first century before mass immigration throughout the world. And now, local churches have many flavours, which we need in order to reach the world. So we invite you to consider the commitment involved in membership to one local church and join in the April 30th Zoom class at 7pm. This is a Zoom only event. Please contact the church office for the link.
